

Bridge To The Future

Communities in Transition

You're invited to explore what might be in store for the next chapter of your life and work.

The economic situation is revealing new opportunities to connect and support each other. Opportunities to engage with members of your community to share ideas and support have never been as important as they are now. *The Community Conversations* Project invites you to a 2-day participatory workshop.

Together, we will:

- Find ways to contribute your skills and experience
- Participate in a dynamic discovery of your communities strengths
- Foster connections to build your network and share resources

When: May 11, 8am –noon, May 12, 1-5pm

Hosted by: Friends of Third Place Commons,
17171 Bothell Way NE, Lake Forest, WA 98155
